## Weather or not

**Saturday:** Mostly sunny, with a high near 53.

**Saturday Night:** Partly cloudy, with a low around 38.

Saturday - Colts Homecoming

Sunday – Cheer/Pom Competition

### Save the Date:

-  **NOV 01** – Colts Homecoming
-  **NOV 02** – Colts, Knights and Rams Competition to be held at Grayslake North High School
-  **NOV 07** – 7:00pm Colts Pep Rally/Trophy Handout at GNHS
-  **NOV 13** – Board Nominations are due (Pats Pizza) 7:00pm
-  **DEC 11** – 2009 Colts Board Elections

### Reminders:

- Last week to get in concession and we are running 3 concession stands at all fields.
- Parents who will be at the Central Park field on Saturday should use either the Lake Street parking lot or Middle School Parking.
- Competition is at Grayslake North High School this year!
- Parking at Avon School after 12:15 is strongly encouraged. With the construction on Shorewood, it is going to be difficult to exit North on Sunday! Tickets and towing will be enforced for illegally parked cars.
- Admissions is \$5, children under 5 are free.
- Volunteers get free admissions.
- Plan to arrive early in order to get a parking space and be in the field house for your child's performance.
- Spirit Grams will be sold for \$2. Spirit grams will be read prior to a squad taking the floor. Limit 7 per squad. It is a good idea to do a group Spirit Gram so all girls are recognized.
- No flash photography or video taping. Professional photographs and DVD are available for sale.
- Cheerleaders and Pommies will be released from the field house floor after the awards ceremony.
- No smoking on school property.
- Cheer loud for your cheerleader and/or pommie!

### GAME DAY

When to arrive, unless otherwise directed by your team:

Football players should be arriving at least 60 minutes before game.

Cheer/Pom should be arriving 15-30 minutes prior to the game.

#### Special note on game start times:

Parents should note that while game times are posted it is possible that games played after the first game of the day can start earlier by as much as 15 minutes. This is typical for some away fields where they do not have field lights and they worry about losing daylight or due to adverse weather projections.
